Welcoming Address

Hallelujah!
Welcome all of you to the MEO program in the name of the Lord Jesus Christ.

You came to Korea by God's grace, and despite the difficult circumstances of Covid-19, you have successfully completed the Korean National Defense University security course and are about to graduate.
I believe God has sent you to Korea to study military education as well as to experience the lifestyle of Korean Christians and KMCF members.

You have had a lot of experience in the school church so far, but you will have another education and experience by participating in MEO-P today.
Originally MEO-P takes 8 days to complete the course, but this time it's going on for one day due to your busy schedule and Covid-19.

Through this program, you will learn that God gave Korea's development and prosperity despite the suffering and poverty of the Korean War through sincere faith and prayer of Korean Christians.

In addition, you will find that God gave Korea a great command to preach the gospel of the Lord to the ends of the earth.
Likewise, the mission given to you through this program is to preach the gospel of our Lord to soldiers in your country and around the world.

Now, when you finish studying in Korea and return to your country,
I sincerely hope that you will actively participate in your country's MCF and carry out the mission of military evangelization, national evangelization, and world evangelization.

I hope this program will give you a good time of grace and joy.
May God bless you and your army and your country.
Thank you.

Park, Nampil, MG(Ret), ROK Army
MSO Chairman
