

MSO extends a heartfelt appreciation to her members and her supporters who are carrying out our Lord's Great Commission in their global military ministerial works.

Below are the MSO's September reports:

1. There was a lot of support from the Central Military Chapel (CMC), the mother church of all the Korean MCF members, to support MSO's world missions in August. We'd extend our special thanks to all of the CMC members including Senior Pastor Moon Hyo-bin for their efforts and cooperation in the AMCF World Military Mission activities.

3. MSO is in the process of establishing the 2021 MSO ministry plan early in order to secure supporting churches and individuals for its ministry of 2021. After P&P approval of the plan, we will spread to our supporters the 2021 MSO ministry plan which reflects the MSO world military mission budget next year by the end of September. We are planning to use it actively for visits to the sponsor churches and supporting organizations. We are also expecting the churches and organizations to use it properly when they make their budget plan for the fiscal year of 2021.

A meeting of the Asia and Pacific region vice presidents was held at 14:30, Aug 22 (Sat).
