

Appreciation for tremendous God's Grace to AMCF

“AMCF 선교에 주신 하나님의 한량없는 은혜에 감사”

It is a great honor for me to share to God's gospel and God's vision.

I am Secretary General of MSO, COL retired Chung after 35 years military services and became to Pastor by God's calling.

Today, God give us Scriptures as the Old Testament, Numbers Chapter

14: Verse 26 ~ 28 and New Testament 1Corinthians Chapters 15: 10.

『○ Numbers14:26~28 “ 26 The LORD said to Moses and Aaron: 27 "How long will this wicked community grumble against me? I have heard the complaints of these grumbling Israelites. 28 So tell them, 'As surely as I live, declares the LORD, I will do to you the very things I heard you say”

○1Corinthians 15 :10 But by the grace of God I am what I am, and his grace to me was not without effect. No, I worked harder than all of them yet not I, but the grace of God that was with me』

⇒Due to COVID-19,s dangerous situation , **By the tremendous grace of God, We are standing here.** By the world International Economic downturn, The restrictions on movement and travel, AMCF regional meetings and conferences are suspended, and most of the MCF activities in each country are restricted, Most people who are weak in faith used to live discouraged, disappointed, and complaining. **But God's people have to seek God's will and look back on God's grace**

WE, All AMCF Members should be grateful for God's grace, We used to have the “Virtual Video-Tele-conference”and meeting with AMCF VP , 3PSO, and each national MCF members, especial 2024WC P&P#5 through Information Technology systems. **May we glorify to God what we were today!**

While I was growing up, I learned from my parents and senior brothers, “God and the United Nation saved Korea.” the reason why, ① Foreigners Missionaries provided us with the spiritual food that preached by the Gospel. Especially, ② 16 United Nation-participated to Korea war as America, UK, South Africa, Columbia most of countries in this meeting rescued our country by sacrificing over fifty thousand casualties during the Korea war. We used to call to United Nations “ the unforgettable country who saved our country”

《 본론 시작 》

“God and United Nation are the saver of our life”. That has been verified through over 67 years of my life career and experience. At this time, I really express 3 titles appreciation to God and United Nation in my deep heart.

First: God and United Nations opened the blind to our spiritual mind

All of the children born after the Korean War were in a very difficult situation to be cared for by their parents and government, because of heavy poverty and all of industrial infrastructure was destroyed by Korea war. At that time, only Church supported by foreign missionary provided daily bread, so many beverages, **especially shares Jesus love and peace to us.** Church was the only place to make clear all of our problem and our desire to live, like the heaven in ground. In my case, After being scolded by my parents in the house, I used to escape to the church, and Our pastor and his wife have taken care of me with love. This Kind of Jesus love through our church has led many peoples to Christian and we can see and meet our saver Jesus Christ.

Second: God and United Nations provided us with daily food to live.

During school life with Our generation, they had been experienced lots of American food and have been nursed by beverages as Butter, milk, chocolate, corn and wheat flour by United Nations aid. **If United Nations Aids was not provided to Korea, it would have dyied so many people more than North Korea in these days of heavy starvation.**

Third: God and United Nations opened our blind eye to the academics and education.

When I graduated from elementary school, our family domestic situation was unable to support to apply for middle school. But I was able to finish middle class by the mission school with all scholarship that was managed by the foreign missionary association. All of our teachers were missionaries and pastor in our town church. With missionaries' devotion and sacrifice to us, many friends of mine accepted Jesus Christ to their savior.

All of those three appreciations were a great blessing from God. Everything came from God's grace.

We, MSO and Korea people must to repay God's grace and the sacrifice of the United Nation countries. We believe it can be achieved by the AMCF vision and Military mission.

We are to compensate for 2 areas of debts to God and United Nation
- First: American's martyr(마~더) who devoted their lives for preaching gospel,
-Second: United Nation's death and injuries who sacrificed during the Korean war.

□ 말씀적용

What should we do now?

Numbers chapter14: verse 26~28 say“ 26 The LORD said to Moses and Aaron: 27 "How long will this wicked community grumble against me? I have heard the complaints of these grumbling Israelites. 28 So tell them, 'As surely as I live, declares the LORD, I will do to you the very things I heard you say'”

God rescued Israeli people from being slaves of Egypt for 400 years but the Israeli people used to complained and grumbled to God whenever they faced some difficult situations. Second generation who don't know God rescued their people from the Egyptians / said “where is the God ? And also they denied God's existence. **The result of grumbling, confronting and by denying God, Israel who did not know God's grace ,**

had been constantly invaded from surrounding enemies. Especially God led the Israelites to the Wilderness for 40 years.

We had a lesson and learn from today's message, Our Christian and AMCF Members should not complain and grumble whenever the hard suffering and difficulty situation comes to us, Especially COVID-19 situations. God's people seek God's will and look back on God's grace.

Let's look back on our Christian life and AMCF Ministries for a moment.

-We have eternal life in heaven with the grace of God, the blood of the cross of Jesus Christ. In addition, God's power and guidance made MCFs established in 150 out of 196 countries. All of these achievements are God's tremendous grace.

- Our saved Christian should live only in thanksgiving for the grace of God's salvation in all circumstance.

-We, Christian's life should glorify to God! We must live the evangelist life to save Non-Christian through AMCF goal and Mission.

-We have to follow the God's great command through AMCF ministries.

Today's the apostle Paul confessed in 1 Corinthians chapter 15:verse 10 “ But by the grace of God I am what I am, and his grace to me was not without effect. No, I worked harder than all of them-yet not I, but the grace of God that was with me.”

I sincerely pray This Apostle Paul's confession should be us and all of AMCF Members' confession in our life time.

“Let us pray, Heavenly father! Be joyful always, Pray continually, Give thank in all circumstances! Let this be our confession. We pray in Jesus name! Amen.”

Again, I really appreciate AMCF presidency, 3PSO members and all of participants in 2024WC P&P to share God's message and my testimony. Glory to God! Thank everybody, / We, All on in Christ Jesus.
