### Gospel league. Praise God for the cadets ministry team!

We organized the Gospel league event among christian cadets. We splitted our cadets into 5 teams. They raced to share gospel online during this lockdown. Totally 25 members reached out to 90 people and 15 of them truly received Christ in their hearts. Praise the Lord.

They used Four Spiritual Laws, 4 Gospel videos and Testimonies for evangelism with others. Please keep them in your prayer for new believers so that they can grow in faith and get to know Jesus personally.

### Family Life seminar online among junior officers.

Junior officers ministry team conducted online training for christian officers. This book is about How to be good parents. Our staff Tuguldur's family and Batka's family taught these 7 topics.

### Here is a short testimony of Army Captain from Family seminar.

084 Army Special Battalion's Captain, Commander of Culture and Social works Captain Nyamsuren.

My family attended Family life training by Centurions Mongolian Military Ministry. We realized that spending effective times with my family and nurturing them are such a significant thing in our life. Training was based on the conversation in the group with 4-5 families. This way of teaching was great to us. Because we learnt many new great right ideas from others we can apply in my family. We realized that family which has belief in God is how blessed. We wish many people would have God. We are feeling thankful for the Military Ministry.

-For the 2021 annual plan we will make at the end of May.

-For 2 new trainees will study in the Great Commission training Center to become full time staff next year. Their study will begin on 22nd May.
