Hallelujah !

**I am Major General Park,
the chairman of MSO.**

**I thank God for successfully completing
the 2nd Foreign Military Christian in Korea
Interaction today.**

A scenic view of a lake with a church and mountains in the background. The church has a tall spire and is situated on a hillside. The mountains are covered in snow and partially obscured by clouds. The water in the lake is calm and reflects the surrounding landscape.

**I would like to thank you all
for your active participation
and successful interaction
despite the difficult circumstances.
And, the postponed Jeju cultural tour
will be conducted when possible in the future.**

**Through this interaction, you would have learned that
Korea was in poverty and hardship
during the Japanese colonial period and the Korean War,
But, it developed rapidly thanks to God's blessing
through the hard work of the people,
and the earnest prayer of Christians .**

An aerial photograph of a lush green forest. A river flows through the center, and a waterfall is visible at the bottom. The text is overlaid on the image in a white font with an orange outline.

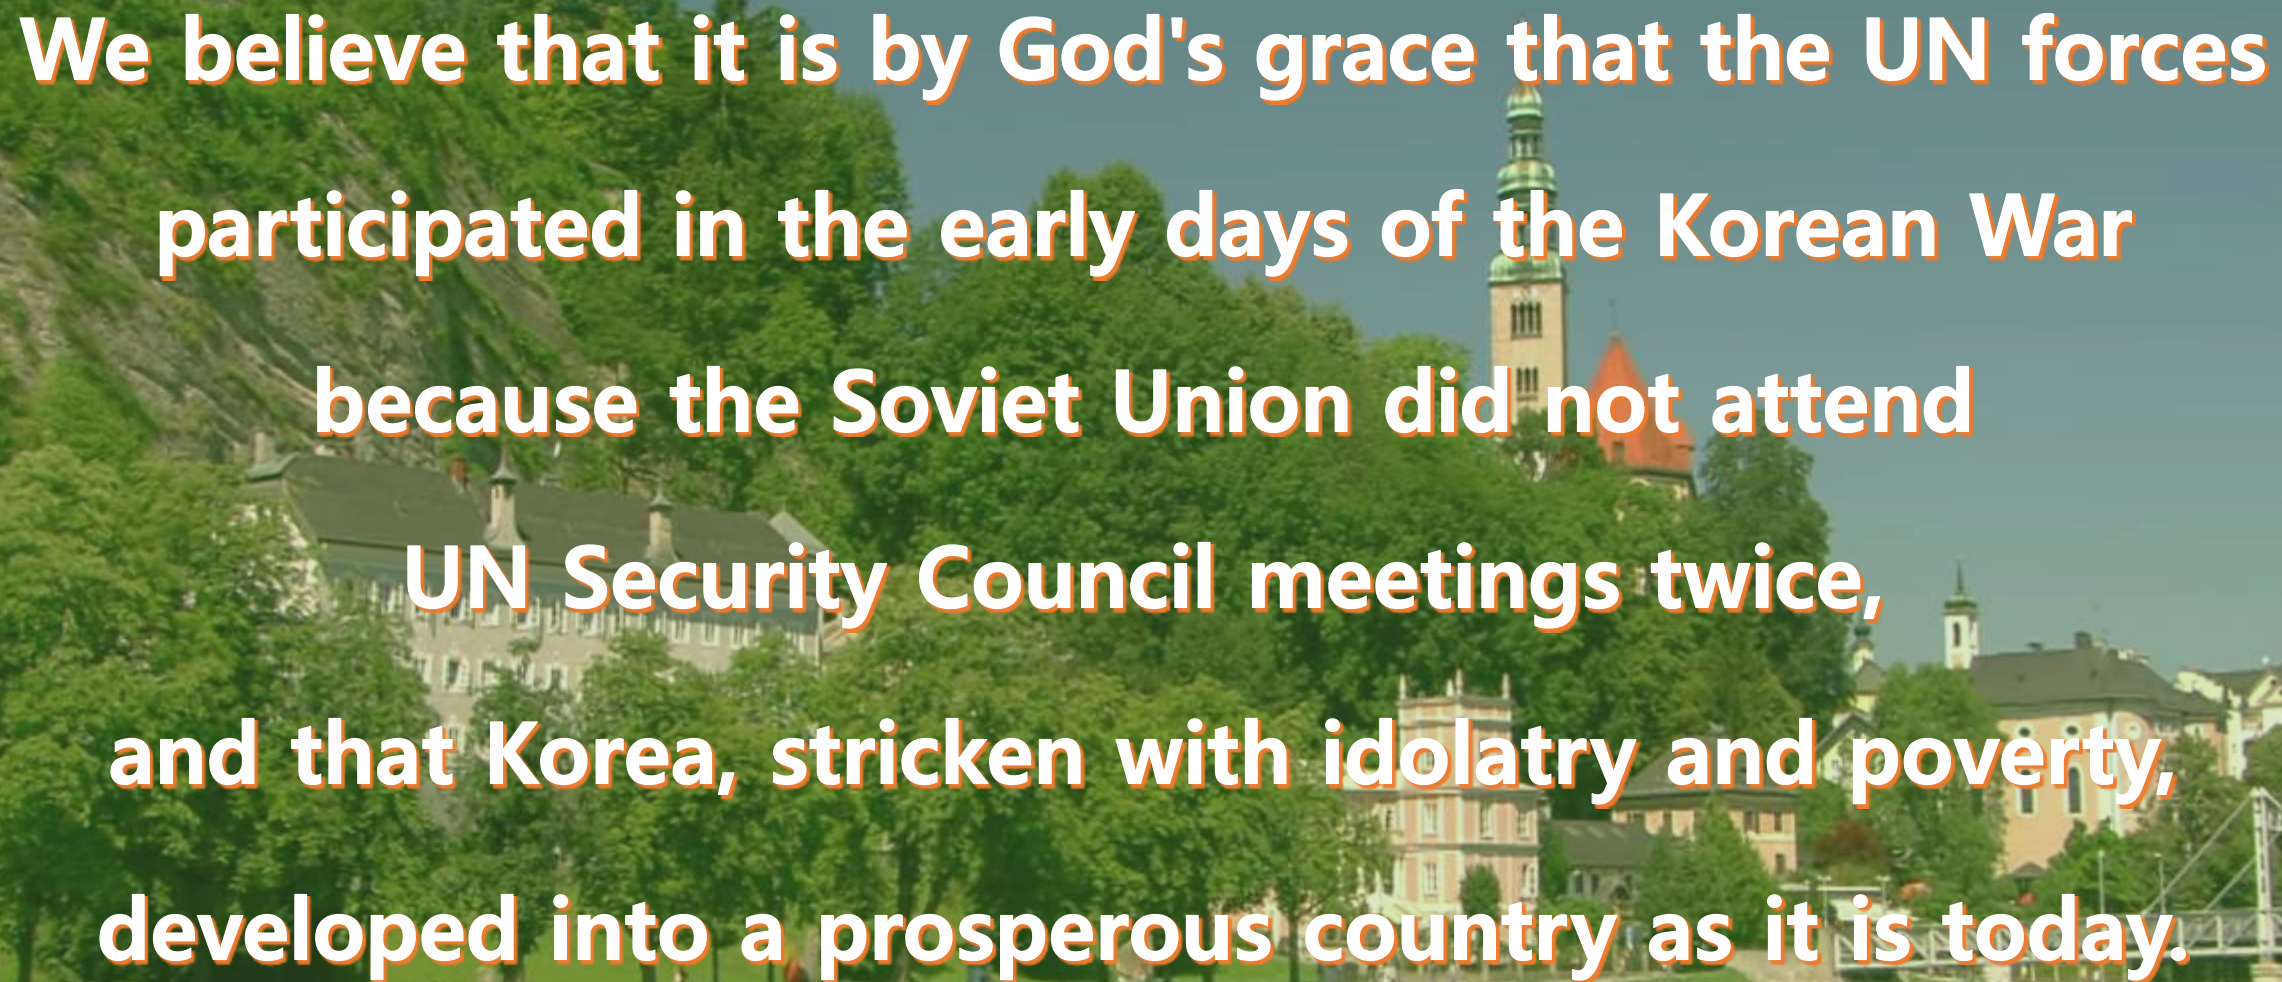

**Especially, The Constituent Assembly of Korea
began with a prayer to God.**

**And a chaplain system was established
in the military,
so that, We worshiped together in the military
and preached the gospel of God.**

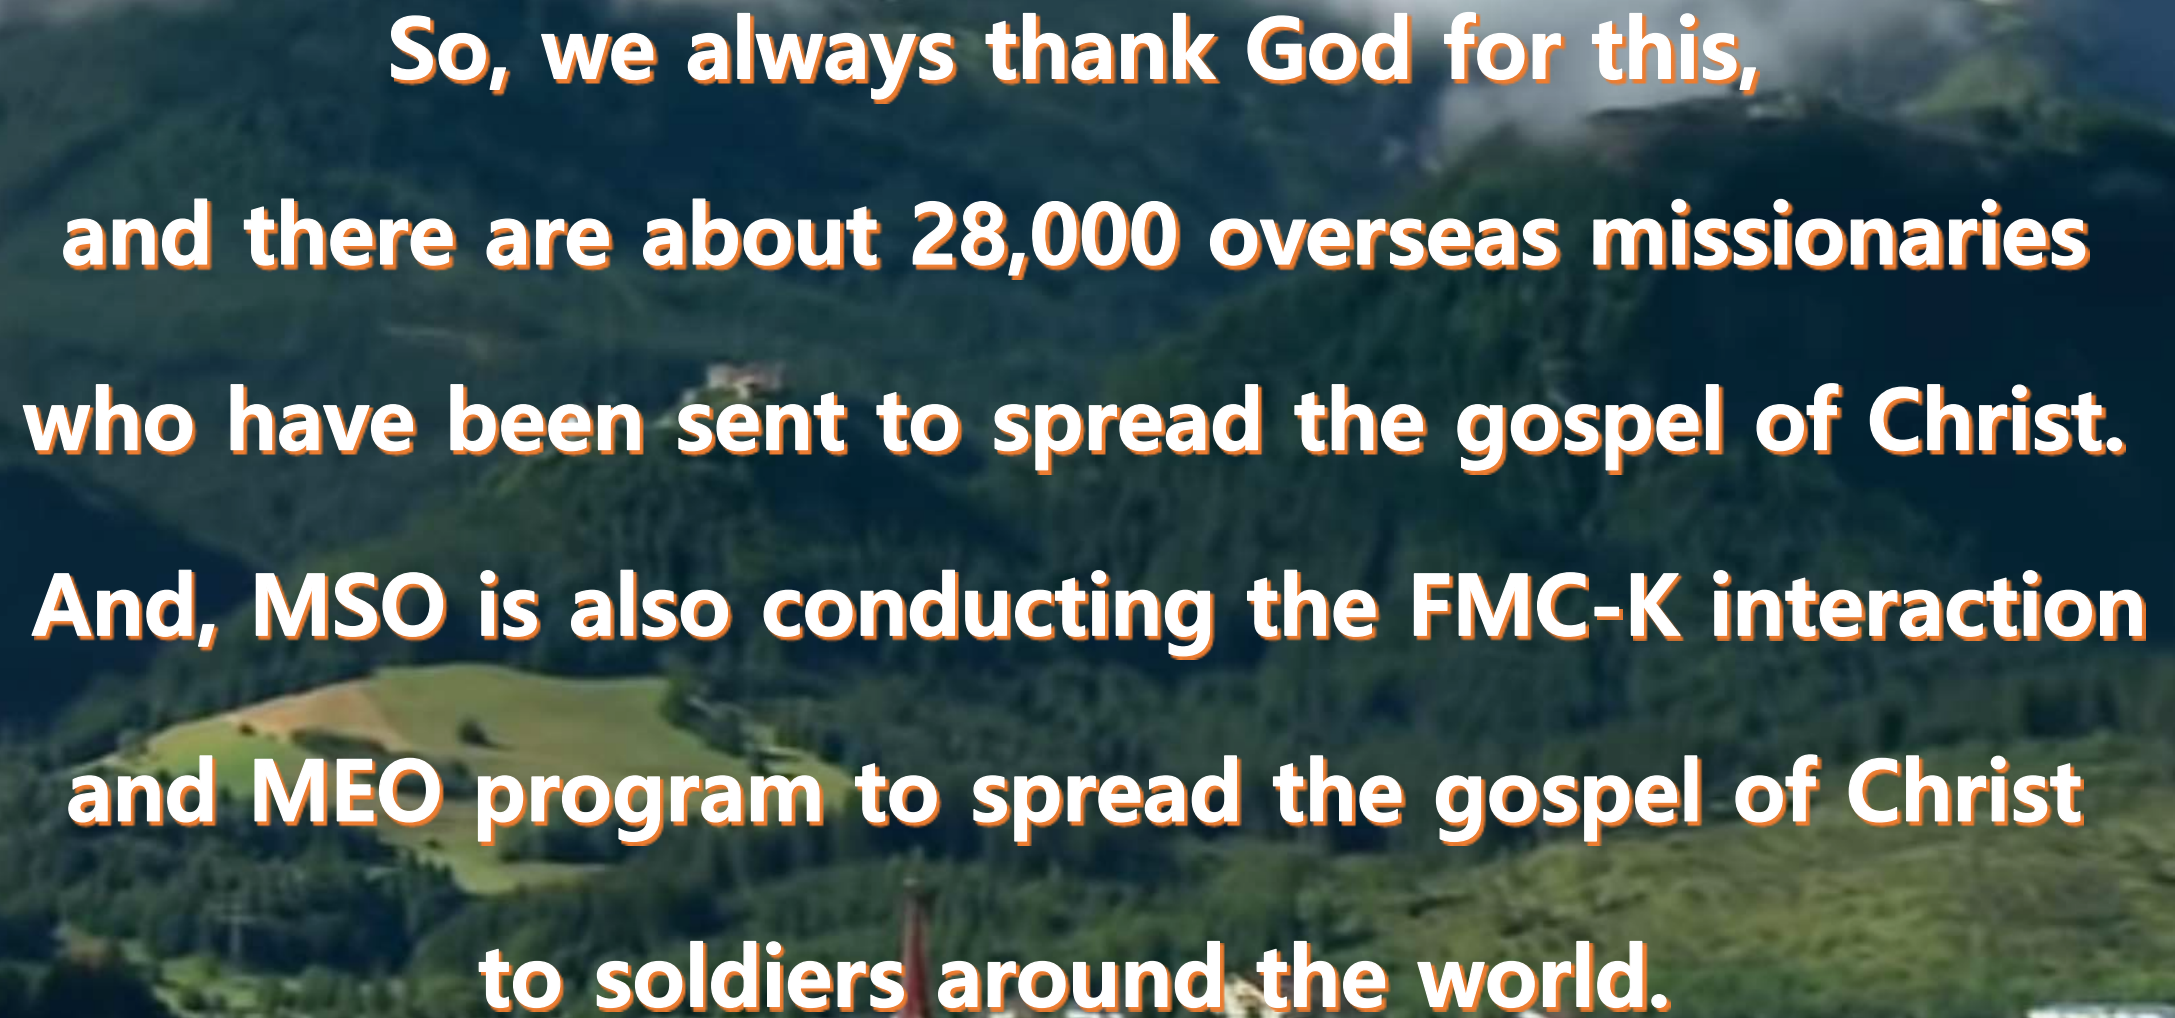

**During the Korean War, for the first time in history,
the UN forces were formed and 16 countries
were able to participate in the war.**

**After the successful Incheon amphibious operation,
General MacArthur recited the Lord's Prayer
at the Seoul Restoration Ceremony,**

We believe that it is by God's grace that the UN forces participated in the early days of the Korean War because the Soviet Union did not attend UN Security Council meetings twice, and that Korea, stricken with idolatry and poverty, developed into a prosperous country as it is today.

A scenic view of a mountain valley. In the foreground, a town with a prominent church steeple is visible. The middle ground shows rolling green hills and a valley. In the background, there are large, forested mountains under a blue sky with some clouds. The text is overlaid on this background.

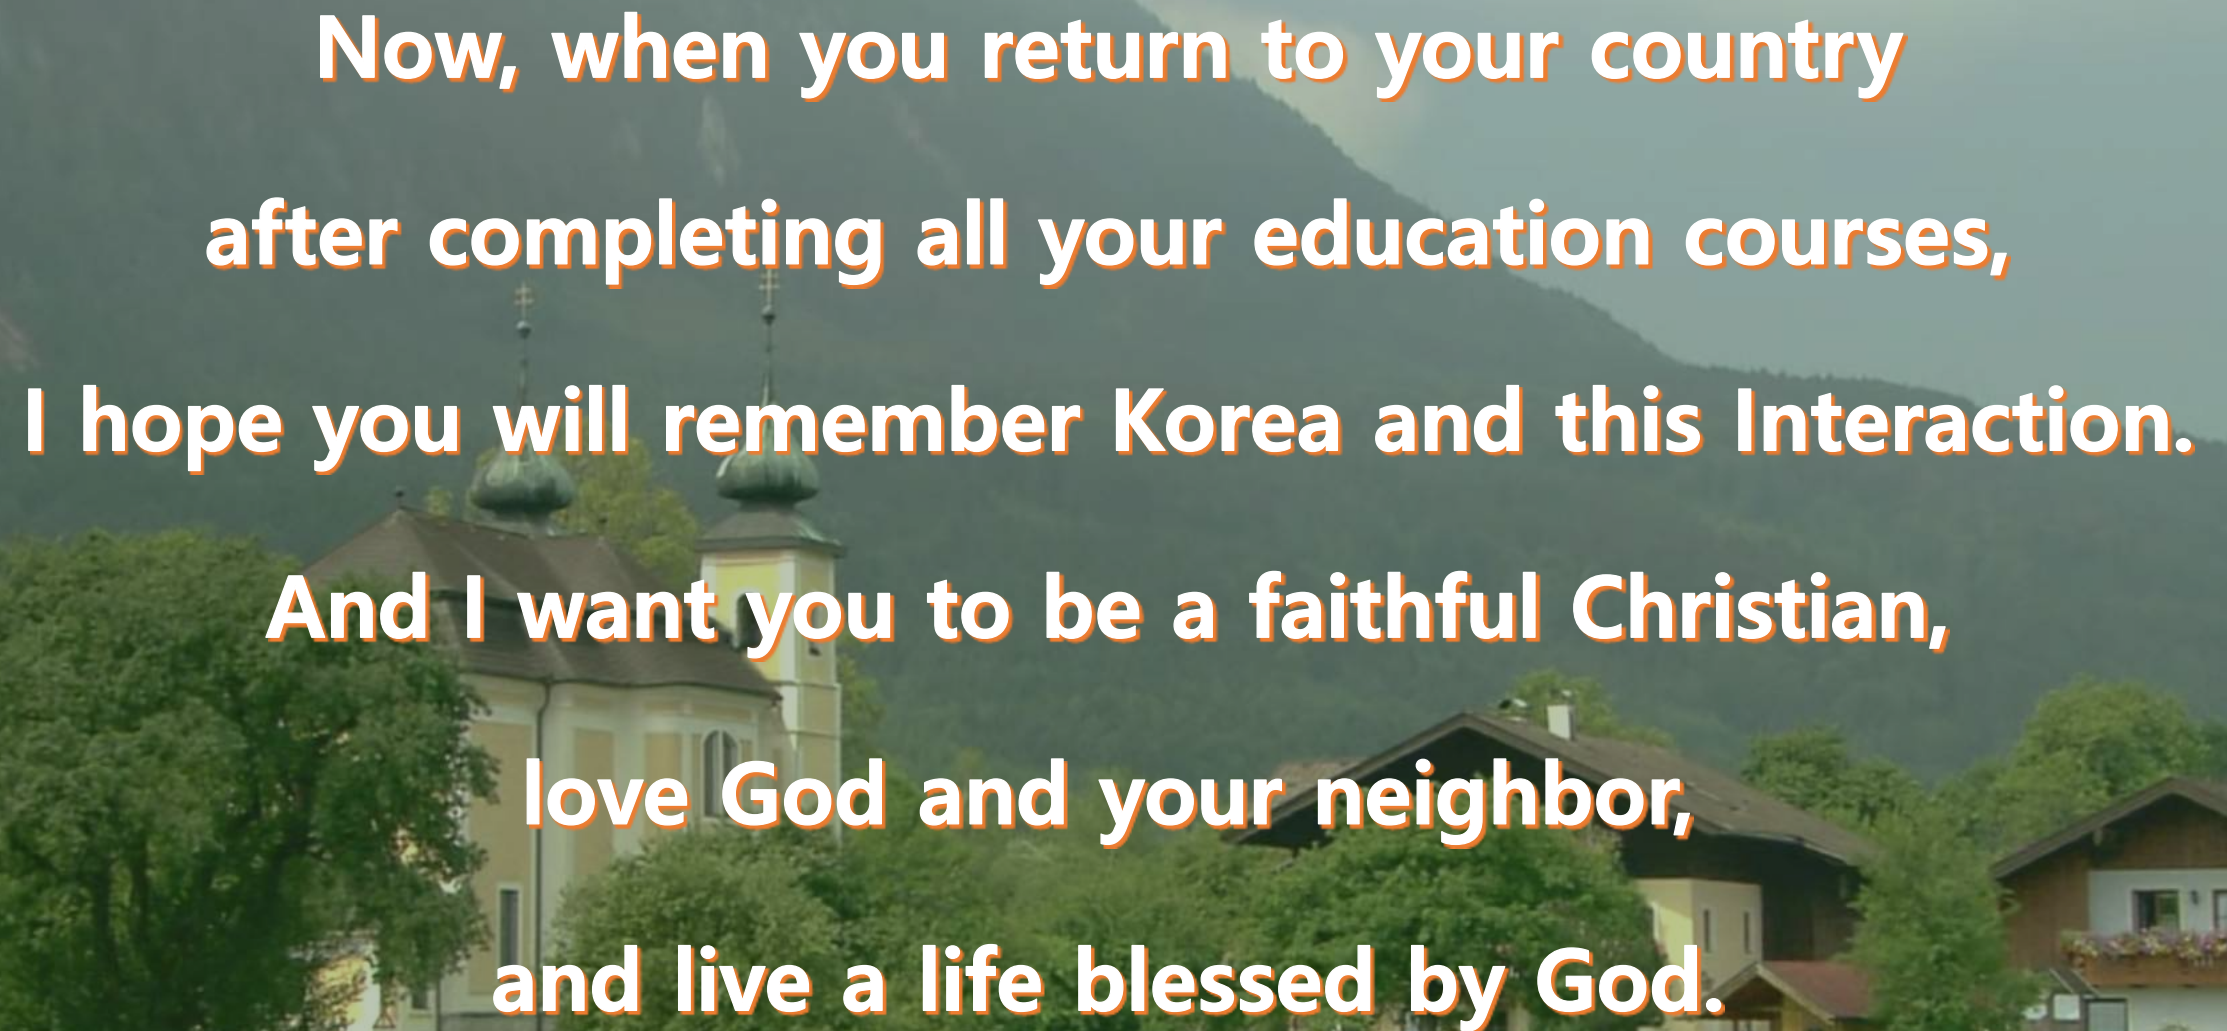

**So, we always thank God for this,
and there are about 28,000 overseas missionaries
who have been sent to spread the gospel of Christ.
And, MSO is also conducting the FMC-K interaction
and MEO program to spread the gospel of Christ
to soldiers around the world.**

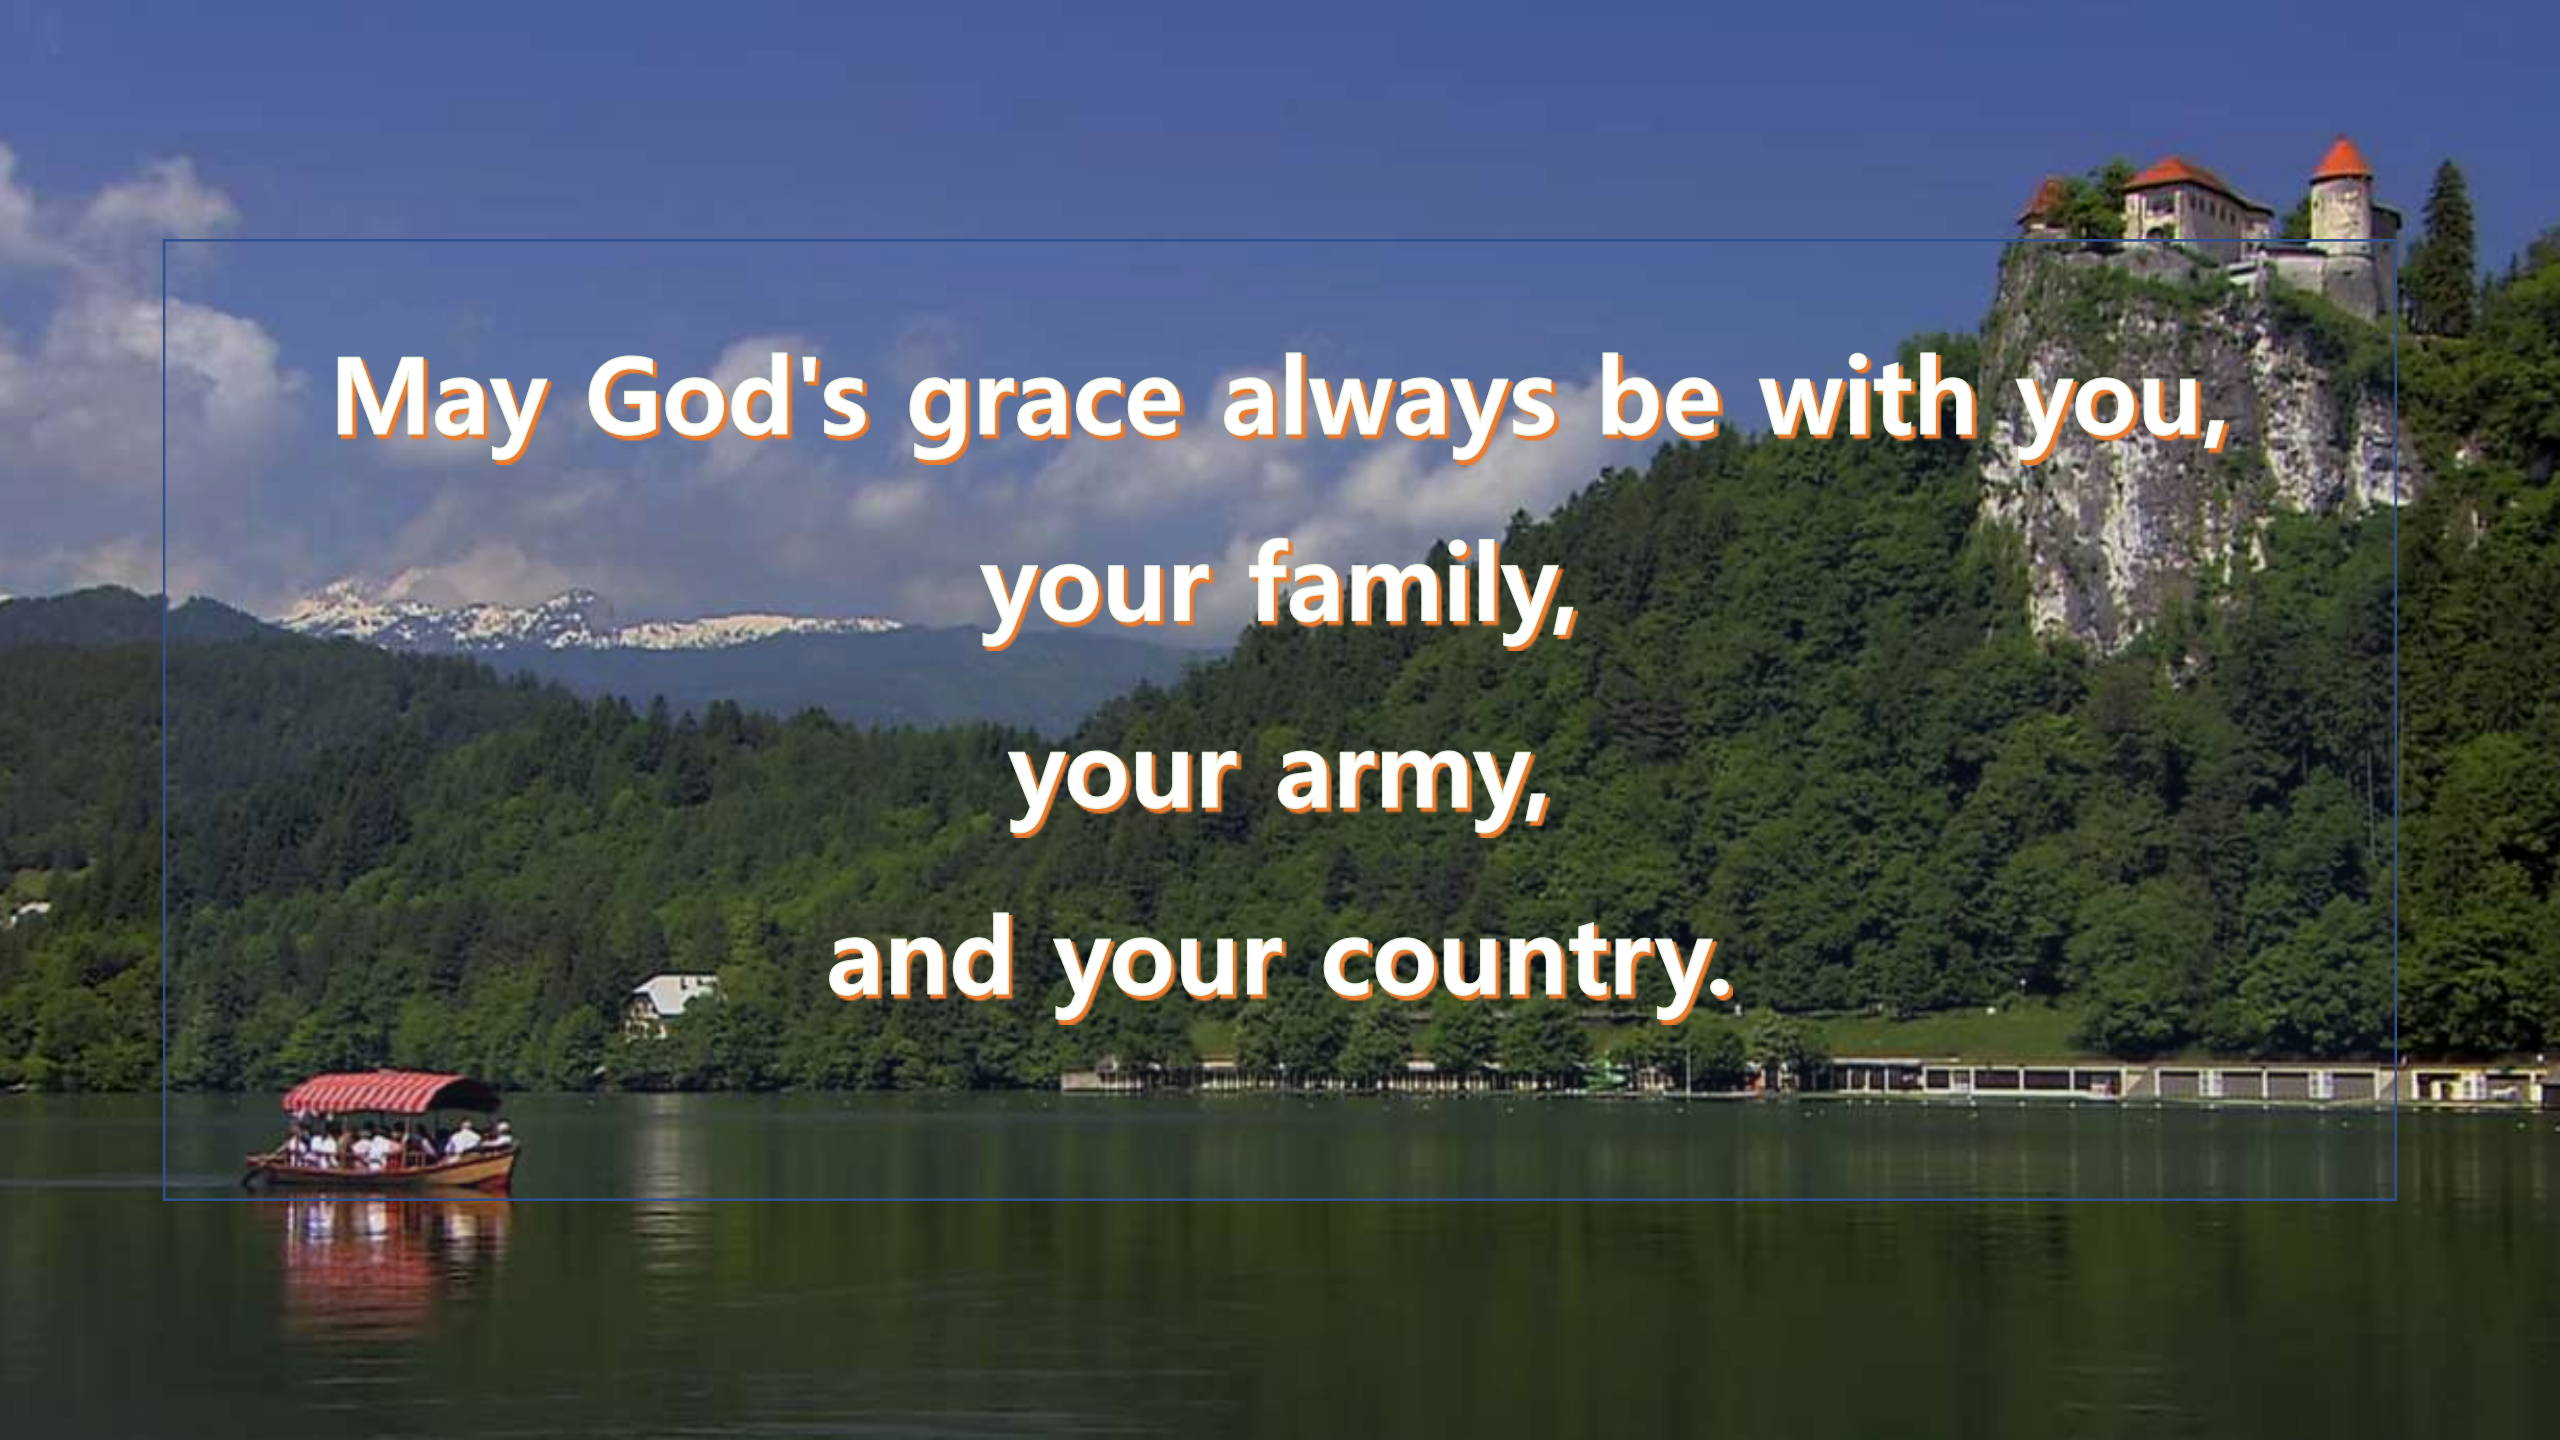

The Bible says, "We know that all things work together for good to those who love God."

In other words, when we love God,
God always gives us good things.

I believed these words all my life and lived loving God,
and God always gave me good things.

A scenic view of a village with a church and houses in front of mountains. The church has two green domes and a bell tower. The houses are traditional European style with dark roofs and flower boxes. The background shows misty mountains.

**Now, when you return to your country
after completing all your education courses,
I hope you will remember Korea and this Interaction.
And I want you to be a faithful Christian,
love God and your neighbor,
and live a life blessed by God.**
