

# Korea Military Christian Fellowship

**Dear AMCF EA VP Andrew Zteng and Nation MCF Presidents,**

Greetings in the precious name of our Lord.

Thank you to everyone who is working hard for the Lord's work and prayers to carry out the Lord's Great Commission. I pray that the peace of God abounds.

I am General Seung-gyeom, Kim who recently served as president of the Korean Military Christian Fellowship.

The Korean Military Christian Fellowship(KMCF) has been praying for the 2022 East Asia MCF Interaction since last year, and has also held a P&P hosted by the AMCF EA VP.

In the meantime, we have completed and sent a detailed implementation plan by synthesizing the contents reviewed by P&P.

Following Taiwan last year, due to COVID 19, we were unable to do it face-to-face and conducted it online. KMCF's 2022 East Asia MCF Interaction Plan is attached for the purpose of increasing leaders and promoting Fellowship among MCF members in each country in East Asia.

MCF presidents in each country, please encourage the members who need to be nurtured for the Military Christian Fellowship (MCF) to actively participate.

Therefore, we want an appropriate MCF members (3 members from each country) to attend the East Asia MCF Interaction to be held on October 22. Thank you for your active announcement and cooperation.

I pray that you will always be victorious in the fullness of God's grace.

July 2022

**KMCF President, General Seung-gyom, Kim**
