

## “Centurions” Mongolian Military Ministry’s Newsletter in December

It is always a joy to us to share with you testimonies God is doing through Mongolian Military Ministry. His love, mercy and righteousness endure forever. We wish you have a blessed Christmas season.

As some of you know, Sumya had COVID again and stayed in the hospital for 8 days due to the hardship. Thank God he left the hospital and returned to the ministry.

### 25<sup>th</sup> anniversary and Christmas Celebration

On 20<sup>th</sup> Dec, Mongolian Military ministry celebrated for 25 years and Christmas.

God has always been faithful over past 25 years. He is raising leaders for the Nation. Now we have 7 different ministries to spread God’s love entire Mongolia.

Military Ministry’s 15 staff members are always excited and thankful to be used by God for the Kingdom of God in first generation of Christianity in Mongolia.

We thank you so much for your support and partnerships with us. He has been moving in hearts of soldiers. Praise the Lord!

### New Leader Training among NCO and cadets

For this time, we taught How to share your faith through 4 spiritual laws and personal testimony. NCO and some cadets attended it. Junior officers and Senior officers will be taught in February. Now they said we are very encouraged and ready to share our faith with fellow workers.

### Personal Testimony

My name is Turuu. I have been working for over 15 years in the Border troop as a Master Sergeant. I am married and have 4 children. After bible study times with Christian NCO group, I realized that my work is given by God to accomplish His wills in the work place. 2 years ago, I thought a lot about quitting my job. But God reminds me to witness Him to co-workers and influence at least one NCO's life. Now I start to think how to witness Christ to someone everyday effectively. Right now, I am trying to make disciple 2 young NCOs who work with me. Thank God for His guides every day in my workplace.

### Cadets ministry's Christmas, Basketball and Make-Up and Open Mic outreaches

Cadets are actively attempting to witness God's love to fellow cadets. Their passion is impressive. Thank God for raising new generation. They shared gospel with 62 cadets and 24 of them received Christ. Please pray for their follow ups. Thank God for raising young leaders.

Prayer requests:

1. Senior officers ministry's 2 Lt. Col are on a mission trip to Southern Gobi now. They are going to appoint lieutenant Gantulga as a leader of that local area and teach Ethic seminars in the border troop units.
2. Staff members' health and protection. They need to raise their fund for the ministry and salary.

*Teaming together for Kingdom of God,  
In Sincerely yours,  
Sumya&Undra*
