REQUEST FOR MSO SPONSORSHIP FOR TABLE MOUNTAIN TOP INTERACTION (TMTI) 2023

Every year the AMCF VP for Southern Africa plans for a TMTI, with the venue alternating annually between in Cape Town, South Africa, and Antsirabe, Madagascar. TMTI 2023 is planned to be held in Cape Town.

Christian military leaders from primarily, but not restricted to, the Southern African region are invited to attend. The delegates spend 9 days in Cape Town, where they are schooled, grounded and encouraged in their Christian faith. They receive lectures, guidance and encouragement on issues such as ethical leadership, MCF / Chaplaincy interaction, inductive bible study, prayer, how to share your Christian testimony, and more. This culminates in a "mountain top" Christian experience in beautiful Cape Town on top of Table Mountain.

The primary objective of TMTI is to develop members who will serve as Christian ethical leaders within their respective defence forces. This said, it is realised that they may well leave their defence force but will still take these valuable skills and values into society and industry.

This year sees 20 delegates, God willing, attending TMTI 2023 over the period 16 – 23 November 2023. These delegates will be from South Africa, Madagascar, Namibia, Lesotho, Botswana, and Germany.

As always, finances play a huge part, with required budget currently sitting at USD 9,421.

Probable Sponsorship to date therefore = USD 5,525 (MMI - USD 5,000 and SAMCF - USD 525)
Shortfall is USD 3,900 (Not included in the Budget are the International air fares, visa and registration.)

Might MSO please again be able to help part Sponsor the TMTI 2023, as you are able to?

Many thanks for your consideration.

In Christ,

« *All one in Christ Jesus* »
