

MSO extends its heartfelt gratitude to our members and supporters who faithfully serve in the fulfillment of the Lord's Great Commission through global military ministry. Below are MSO's reports for the month of May.

## 1 2025 FMF-K Interaction Program

From May 3 to 5, 2025, MSO hosted the Foreign Military Fellowship in Korea (FMF-K) Interaction Program at Kwanglim Seminar House. This program welcomed foreign military officers currently studying at military academies in Korea. A total of 13 officers from 9 countries, along with 32 family members and 4 liaison officers, participated. MSO's regional team leaders also joined the event to build fellowship and strengthen connections with delegates from their mission fields.

The program began with an opening worship service, followed by discipleship-focused sessions including:

- The History of Korean Missions
- Inductive Bible Study (IBS)
- Biblical Ethics & Leadership
- Conversational Prayer (CP)

In the evening, participants were uplifted by a performance of traditional Korean fan dance and K-POP-style praise music.

On the second day, the program included The Story of Jesus and personal faith testimonies, alongside family-oriented activities such as the Mom's & Kid's Program and a nature walk through Gwangneung Arboretum. The evening concluded with a closing worship service and graduation ceremony, followed by a family photo contest and individual photo sessions.

On the final day, participants visited Everland Theme Park, wrapping up the event with joyful fellowship.

This program was designed to plant seeds of the Gospel among non-Christian attendees, offering them an opportunity to encounter Jesus Christ. Upon returning to their home countries, they are encouraged to connect with their local Military Christian Fellowship (MCF) and continue their journey of faith.

MSO expresses deep appreciation to the university liaison officers, instructors, and staff who faithfully served to make this program a success.
