MSO 2026 New Year Retreat Held

"Unqualified, Only by Grace" — Sharing the New Year Vision Including Mission Strategy in the AI Era

MSO held its 2026 New Year Retreat on January 24 at the Central Military Chapel, gathering to discern God's vision for military mission for the new year. Despite the severe winter weather, approximately 50 members attended, reaffirming their shared calling and commitment to the mission.

The retreat began with prayer and the Word. Rev. Ahn Joo-hoon delivered a sermon titled "Unqualified, Only by Grace," emphasizing that the foundation and standard of all ministry is anchored solely in God's grace. This was followed by a special lecture by Dr. Jung Yong-gu, who introduced new directions for military missions utilizing AI and digital tools, highlighting the necessity of mission strategies that respond to the rapidly changing environment.

In the afternoon, departmental meetings were held, during which participants discussed practical ministry agendas including the 2026 ministry plans, expansion of international networks, and the strengthening of event and training systems. A time of fellowship also followed. Through this retreat, MSO reaffirmed its grace-centered identity and shared a future-oriented vision for military missions integrating AI and digital technologies, committing together to the beginning of the new year's ministry.

2 Participation in the MMI Staff Retreat

MMI held its New Year Staff Retreat from January 12 to 15 at the St Columba Retreat Centre in the United Kingdom, with the Board of Directors, staff members, and regional team leaders from around the world in attendance. The retreat was guided by the spiritual insights of Ephesians 3:20-21 and focused on worship, prayer, vision sharing, and practical training. On January 16, The trilateral PSO meeting finalized key strategic frameworks for global cooperation.

Throughout the retreat, participants strengthened spiritual fellowship and cooperation through prayer walks, worship services, and regional discussions. Training sessions were also conducted to enhance practical ministry capacity, covering areas such as fundraising, photography, sexual harassment prevention, and financial planning for 2026. On the final day, the shared vision was reaffirmed through regional ministry presentations and the celebration of Holy Communion.

Through this retreat, MMI reestablished the direction of its global military mission work and strengthened cooperative frameworks among regions. Rev. Cho Jeong-il, Secretary General of MSO, remarked, "Global military missions have grown through the power of cooperation and prayer," adding, "I hope that the partnership between MMI and MSO will continue to be used meaningfully for the expansion of God's Kingdom."
