

MSO extends its heartfelt gratitude to our members and supporters who faithfully serve in the fulfillment of the Lord's Great Commission through global military ministry. Below are MSO's reports.

1 2026 Foreign Military Fellowship in Korea (FMF-K) Interaction Program

From May 23 to 25, 2026, the MSO conducted the Foreign Military Fellowship in Korea (FMF-K) Interaction Program at Kwanglim Prayer Mountain in Gwangju, Gyeonggi Province. The event brought together 17 international military officers from 10 countries who are currently attending military educational institutions in Korea, along with 30 family members and 4 military liaisons. Regional team leaders from the Global Mission Department also participated, building relationships and fellowship with attendees from their respective ministry regions.

The program began with an opening worship service, followed by sessions on the Korean Military Mission Ministry and The Jesus Story. During the evening cultural event, participants enjoyed traditional Korean music performances as well as K-POP praise and worship presentations, which received an enthusiastic response.

On the second day, participants attended lectures on Biblical Ethics, Biblical Leadership, and personal testimonies of faith. Discipleship-oriented training sessions continued through Inductive Bible Study (IBS) and Conversational Prayer (CP). Special programs for families, including a Mom's & Kid's Program, were also provided. The event concluded with a closing worship service and graduation ceremony. A family photo session followed, creating lasting memories for all participants.

On the final day, participants visited Everland in Yongin for a cultural experience, bringing the program to a successful conclusion.

The primary purpose of this Interaction Program was to share the seed of the Gospel with non-Christian participants and provide opportunities for them to receive Jesus Christ. It also aimed to encourage them to become involved in Military Christian Fellowship (MCF) activities upon returning to their home countries.

MSO extends its sincere appreciation to the military liaisons from each military institution, the MSO instructors, and all executives whose dedication and service made this program possible.

The event will bring together military Christian leaders from around the world to share their vision for military ministry and explore opportunities for greater cooperation.

The theme of the event is “Be Mature in Christ” (Colossians 1:28). Leaders of the Association of Military Christian Fellowships (AMCF) will gather to share updates on military ministry around the world and discuss future directions for the advancement of the Gospel among military personnel.

A total of 37 leaders are expected to attend, including the AMCF President, 14 Regional Vice Presidents, representatives of the three Principal Supporting Organizations (PSOs), and other key leaders. Through regional ministry reports and strategic discussions, participants will review ministry achievements, address current challenges, and seek ways to strengthen international cooperation for military evangelism.
