2026 AMCF Leaders Interaction Concludes Successfully, Bringing Together Military Christian Leaders from 17 Nations

The 2026 AMCF Leaders Interaction (ALI) was successfully held from June 15–22 at the Kwanglim Seminar House in Pocheon, Korea, bringing together military Christian leaders from 17 countries to strengthen global partnership and share the vision for military ministry.

The event was attended by the AMCF President, 14 Regional Vice Presidents, representatives of the 3PSOs (ACCTS, MMI, and MSO), and military ministry leaders from around the world. Through Bible teaching, prayer, strategic discussions, and regional ministry reports, participants explored the future direction of global military missions.

Under the theme "Maturity in Christ," participants shared the current status and challenges of their Military Christian Fellowships (MCFs), discussed strategies for MCF growth, and considered the AMCF Vision 2030. They also experienced Korea's military ministry firsthand by attending the Korean War Commemoration Service, a new recruits' baptism service, and a visit to the DMZ.

A major outcome of the meeting was the official adoption of the MCF Maturity Matrix as a framework for ministry development. Participants also established key initiatives toward the AMCF Centenary in 2030, including a global ministry roadmap and leadership development strategies.

The gathering concluded with a renewed commitment to strengthen international cooperation, advance military evangelism, and raise the next generation of Christian military leaders through prayer and partnership.

2 Kyrgyzstan Growth School Held – Raising Local Christian Military Leaders in Bishkek

The Kyrgyzstan Growth School was held in Bishkek, Kyrgyzstan, from May 13 to 30.

The Growth School was organized to identify and train local Christian military leaders, establishing a sustainable foundation for military ministry. In particular, intensive teaching and training were provided so that local leaders could take the lead in the evangelization of the military through God's Word and discipleship.

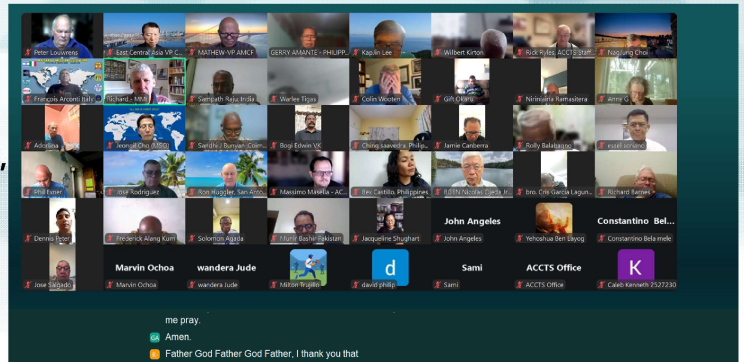

This ministry was carried out as a continuation of missionary cooperation that extended from Chelm, Poland, and Kyiv, Ukraine, to Kyrgyzstan, serving as a meaningful opportunity to open a new chapter for military ministry in Central Asia.

The organizers said, "We ask for your prayers and support so that local Christian military discipleship leaders may be raised up," adding, "We hope that God will open the door even wider for military ministry throughout Central Asia."

The theme verse for the Growth School was: "And my God will meet all your needs according to the riches of His glory in Christ Jesus." (Philippians 4:19, NIV) All activities were carried out in faith that God would provide everything needed for the ministry.
